

10th Grade Confirmation Schedule - 2011

“God’s Calling For Me”

Affirmation Retreats and Affirmation of Baptism / Confirmation Services

* All Wednesday sessions are at ***Easter by the Lake***.

*** Attendance at the 10th grade retreat is required. Please note that there are two options for the weekend retreat to Camp Wapo. Please call the office to sign up for *one*.**

Please check band/sport/dance etc. schedules for possible conflicts and choose the weekend that works for your schedule.

* The purpose behind having two options for the retreat is to reduce hardships in scheduling. When addressing conflicts please bring your concerns to *both* the pastors *and* the coaches, band or choir directors, and others for whom the conflict produces a hardship. As the *Search Institute* reminds us, we’re all on the same team trying to build healthy assets for our youth and community. Many coaches, teachers, and directors are understanding and supportive of our mission, and will excuse an absence without penalty to the young person.
