

LENTEN ART PROJECT COLORING BOOK

This coloring packet is offered so that families can create their own version of our Lenten art project!

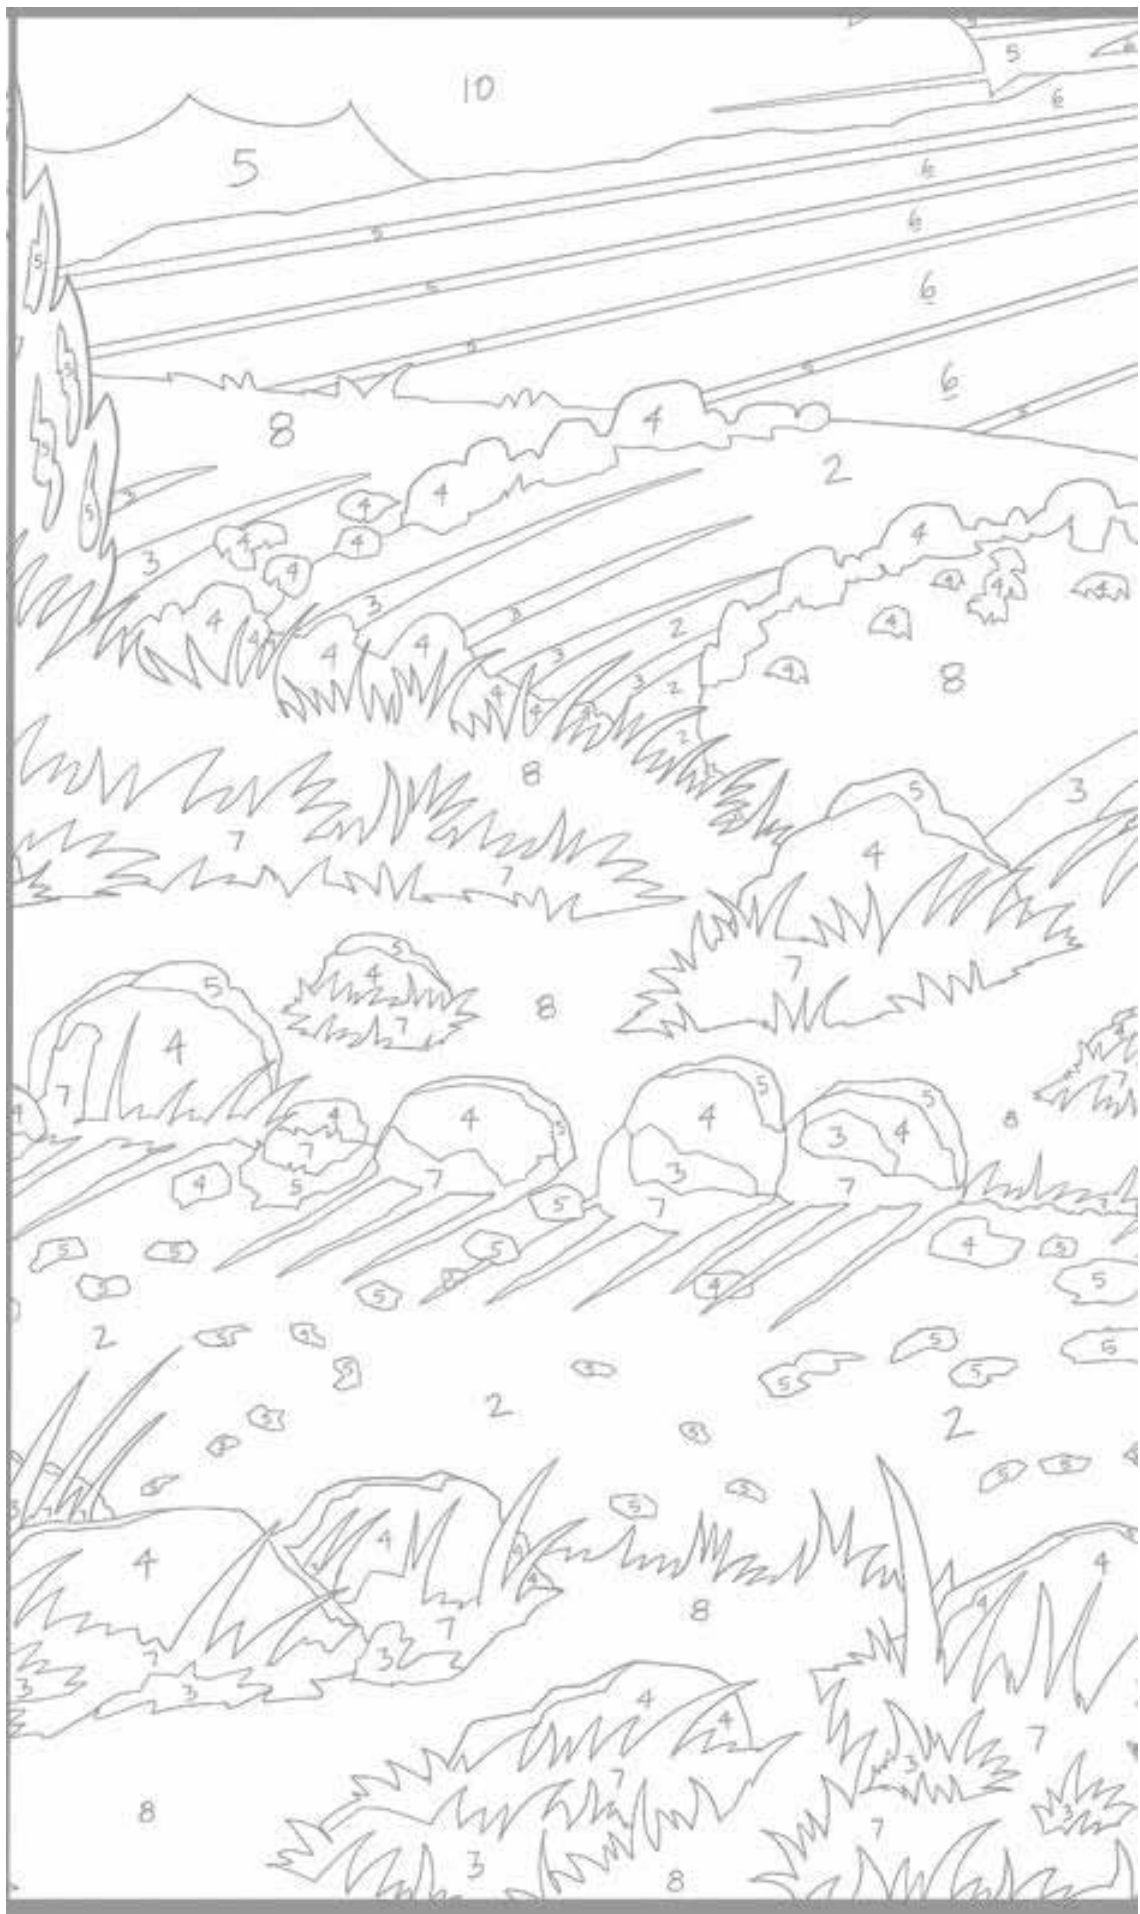

You can use the color guide below, or make your own color choices! Tape the pages together after they are all finished, and display in your home. Have conversations about what the message means to you. We'd love to see photographs of your work, too!

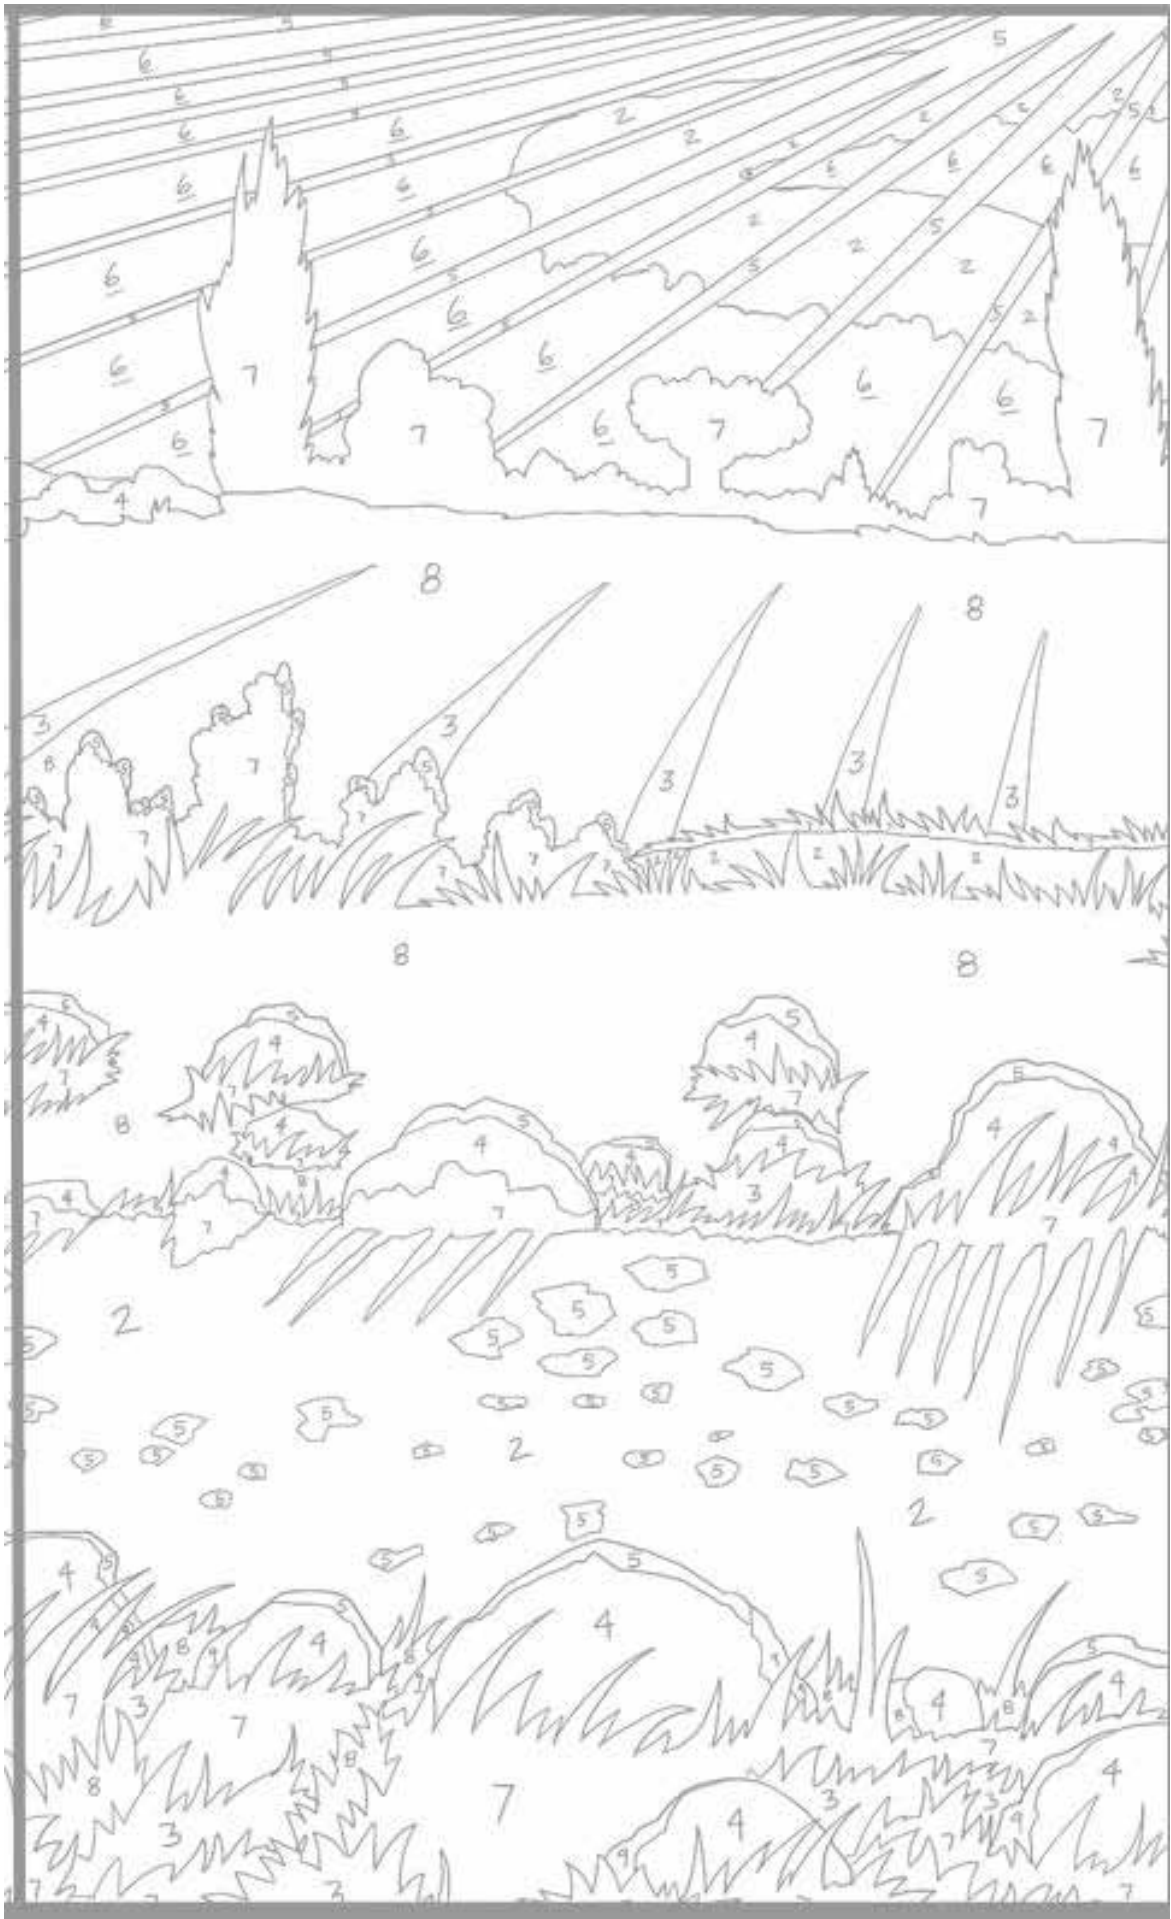

Color Guide

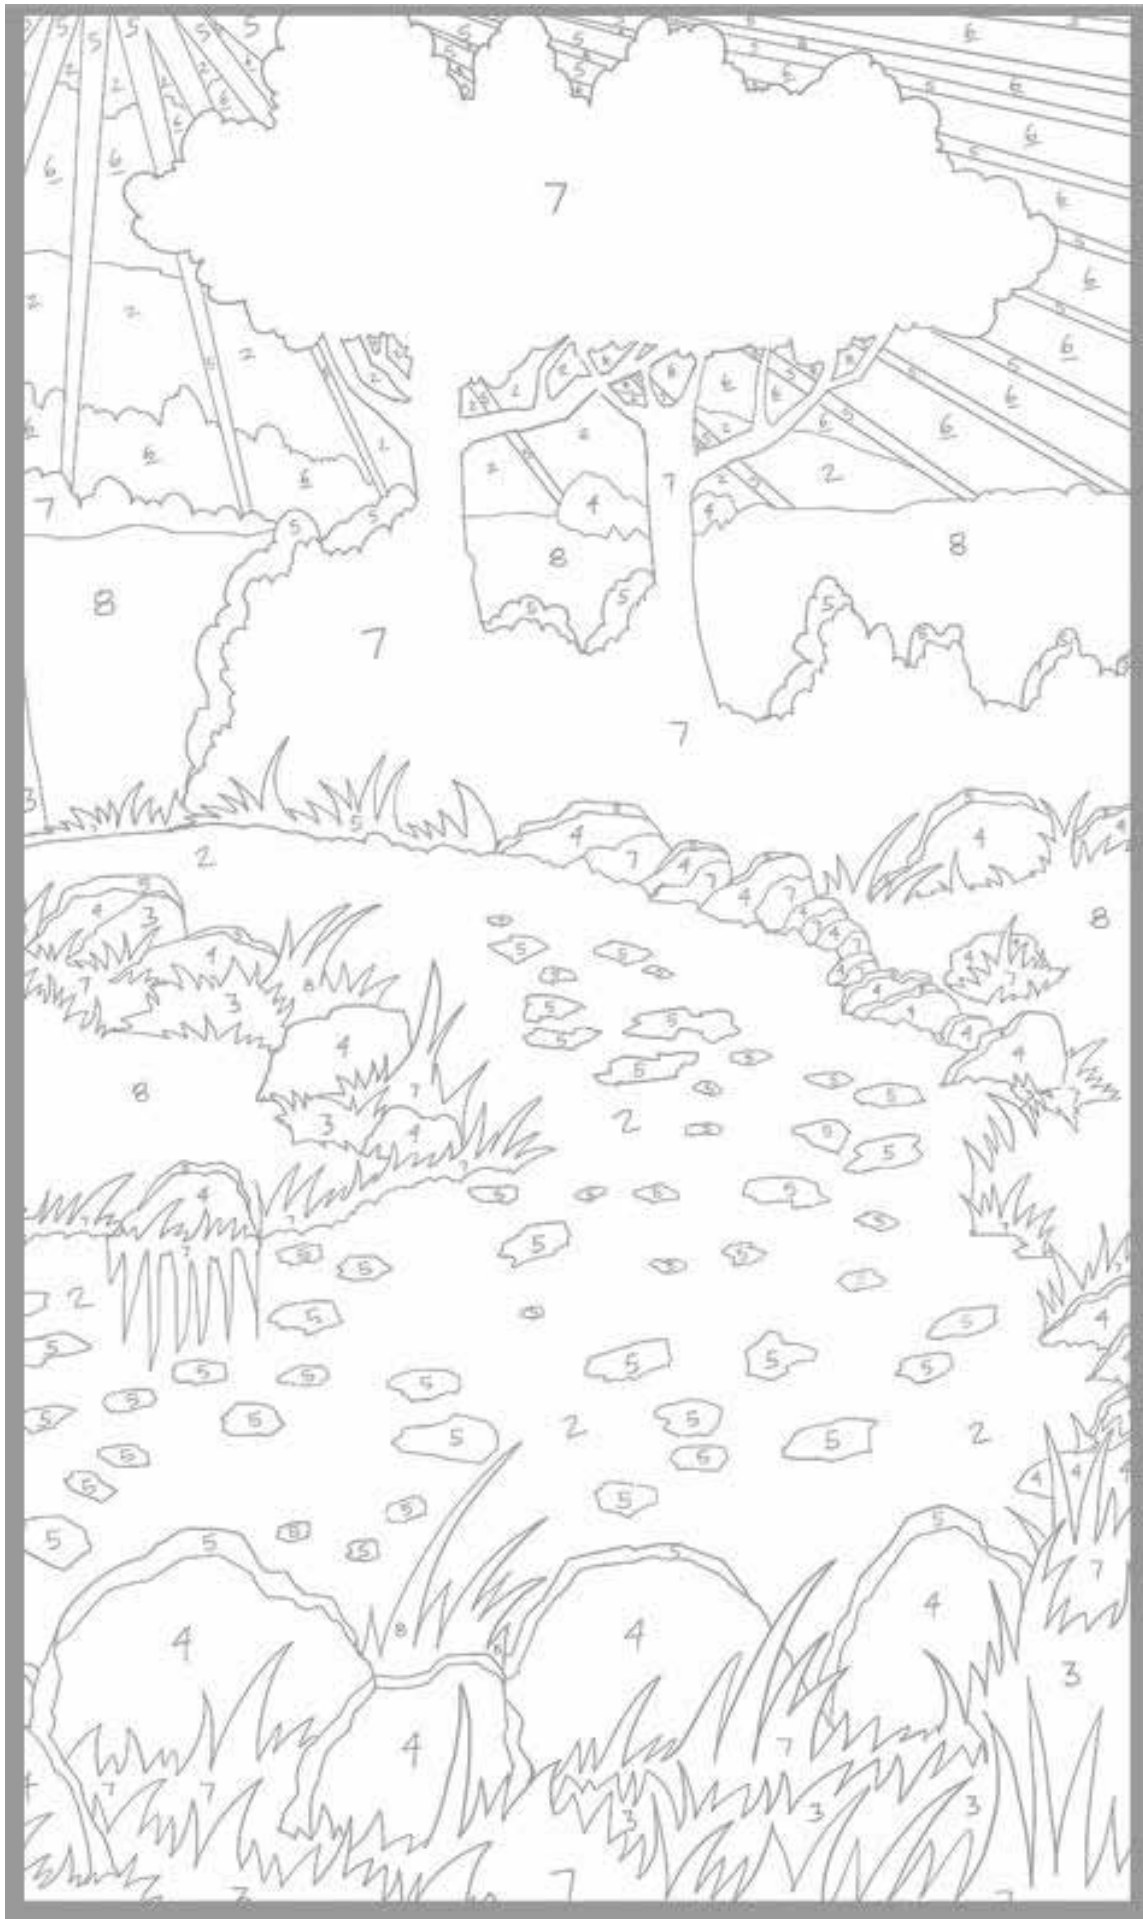

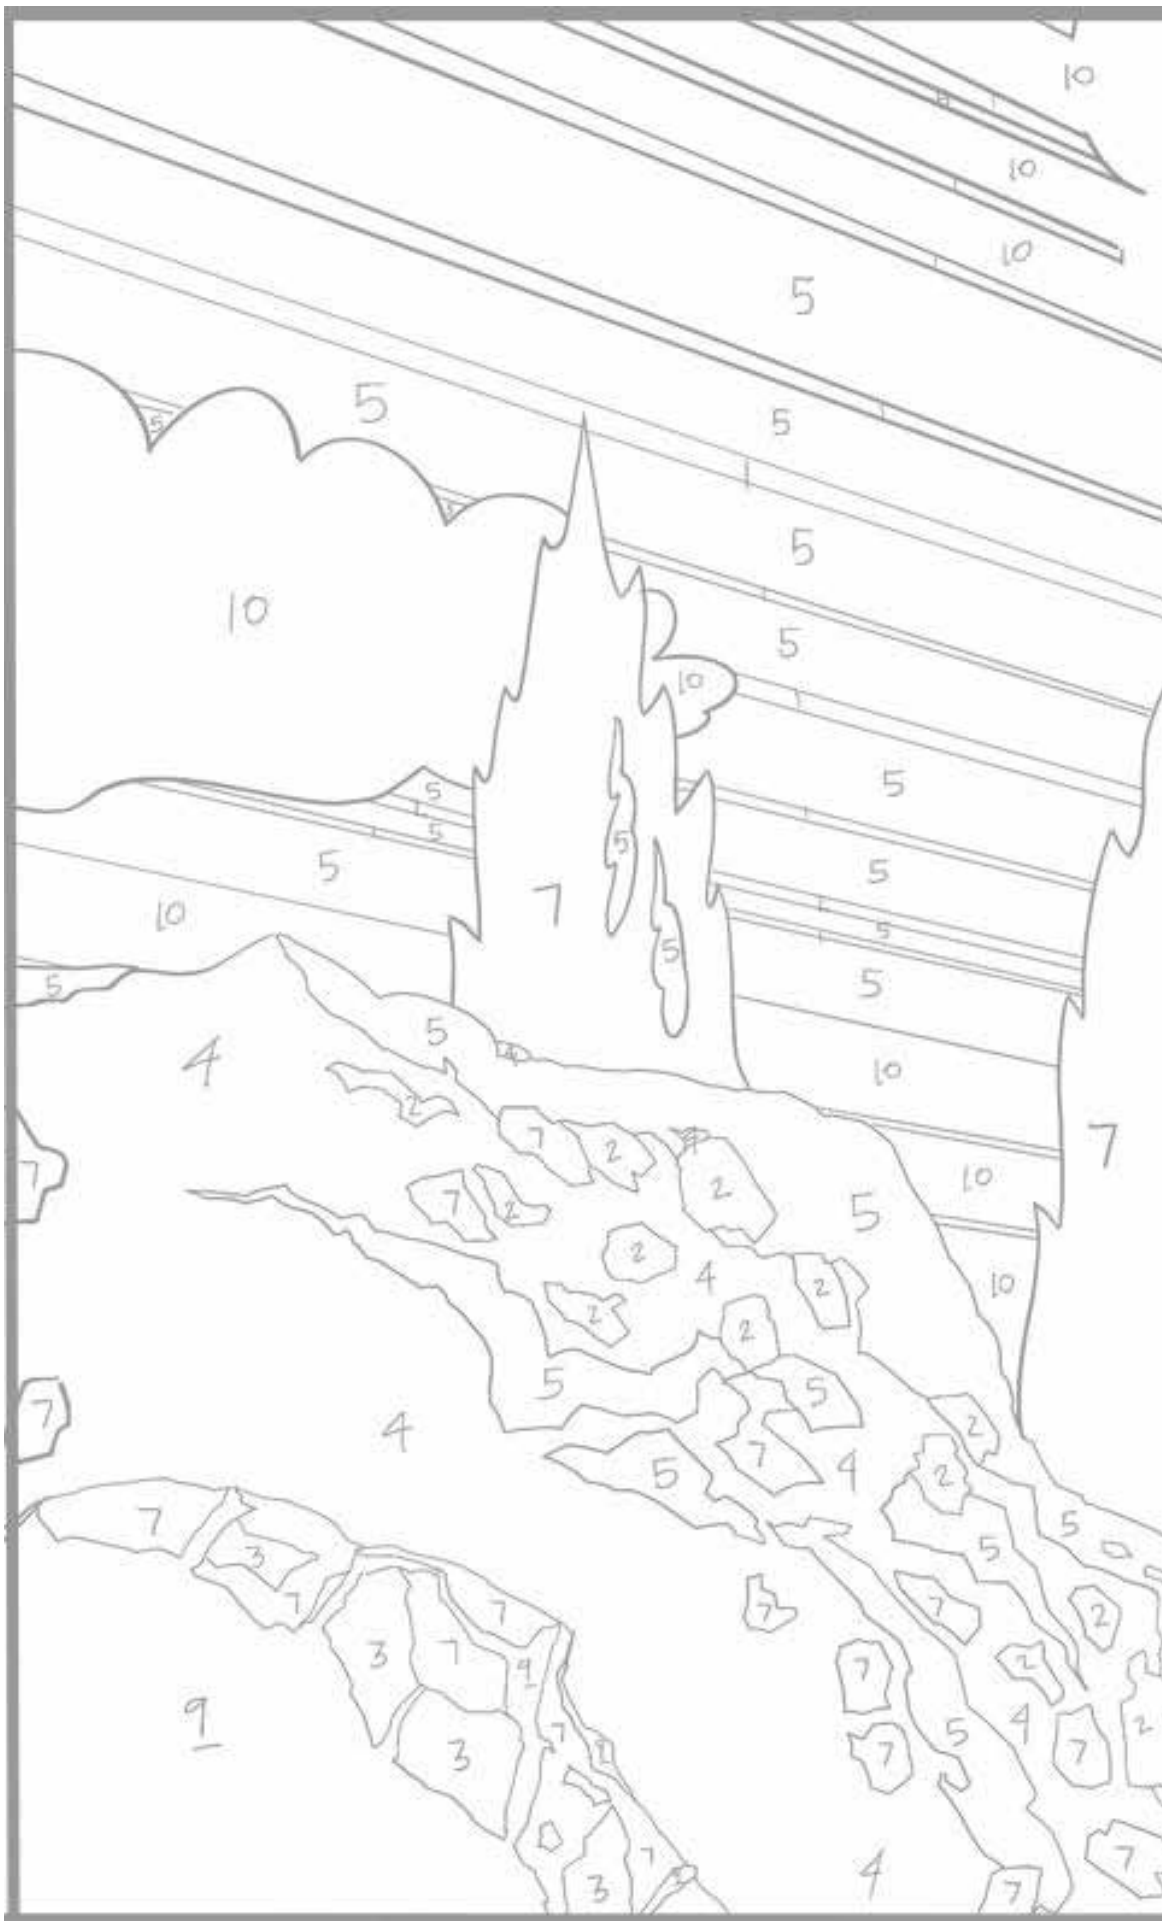

9 = Black
10 = white
